

Founder, Promotor and Managing Director

Mr. Ajay Kumar Singh is the founding promoter of **Singh Infratel Private Limited** a fully integrated infrastructure development company, specializing in telecom and civil projects. Hailing from a service and agricultural class family, Mr. Singh is a first-generation entrepreneur. He walked out of his college precincts with a grand vision to be a part of 'Nation Building' and 'BELIEVE in UNITY' & 'LIVE FOR OTHERS'.

A result driven, self-motivated and resourceful managing director with a proven ability to develop and strengthen management teams in order to maximise company profitability, growth and efficiency. Experienced leading and growing all sectors of a business to make it a dynamic and progressive organisation. Possessing excellent communication skills and able to establish sustainable and profitable relationships with customers, suppliers and stakeholders across the PAN India.

Sri Ajay Kumar Singh (DIN 03373576) is a Businessman, Contractor, Real Estate Developer and a Film Producer. He has pursued Graduate degree from Magadh University in 1994. He initiated backward integration journey from

fibres and further into real sector and film production line. He created several new world class manufacturing facilities involving diverse technologies that have raised manufacturing capacities.

History and Evolution

Established in 2008 by its own with a group of professionals with businesses spanning OFC business and its related Technologies. The Company was incorporated on January 10, 2011 under the name **Global Engicon Project Private Limited**. As the Company's ownership progressively, the name of the Company was changed to **Singh Infratel Private Limited** in July 22, 2014.

In a very short time, this company has emerged as an incense in terms of laying optical fiber. Impressed by their work, companies started ordering them outside Bihar Jharkhand.

In 2012, he moved out of Jharkhand and Bihar to Maharashtra and stepped up his 50 crore gas project well within the time limit. Ajay Singh stepped into the real sector after his company reached the height and built a house near Boti More in Ranchi under the **Lovely Residency**.

In 2018 create a firm **Lovely World Entertainment**, a film production house for making a film. Under the banner of Lovely World Entertainment, he produced “ *Ilaka Kishorganj*” and “ *Family of Thakurganj*”. His upcoming films are *Gubbara*, *Happy Anniversary* and *Ayushmati Gita*. In 2020 formed **RDS Agri Private Limited** to deal sale, service and manufacture of agriculturally based product. Now, deals with sale and service of Escorts Tractors.

A Modest Beginning and growth

The Company's beginnings were humble. His sojourn began in 1996, with the formation of M/s Ajay Kumar Singh a Proprietorship firm entity with a meagre investment of 5000/- with help from his friends. Ideas were abounding, without finance

stability. Those days banks would consider you only if you carried cent percent collateral. Mr. Singh, without any financial background, could in still confidence in his staff, relatives and other associates to lend their resources – a no mean task.

His enthusiasm, positive attitude and foresight thinking and quick decision-making personality makes him loyal and dynamic personality. He evolves with all the staff of his company, as a family member. Inspired by the growth, challenges and opportunities of emerging India, he reorganized his entity into a private limited company. To have a cutting edge in pricing and to be self-reliant, He diluted his stake by attracting private equity from a subsidiary of a leading private sector bank, thereby moving into a higher league.

Now, Singh Infratel Private Limited is brand in Telecom, Electrical, Gas Pipeline, Water Pipeline and Real Estate sector, capable of executing Telecom Projects from conception to commissioning and beyond, including Operation & Maintenance. The 5000/- Proprietorship firm has evolved into a 100 million Private Limited Companies and racing towards becoming one of the top ten companies in India in telecom construction by the year 2020.

After successful achievement of financial growth of companies and its employee, Mr Ajay Kumar Singh moves on film industry in 2018 and make a blockbuster film “Family of Thakurganj” under the name of the production house Lovely World Entertainment. Lovely World Entertainment is engaged in the development and production of series for Indian audiences.

Now he is a director of ***Real Touch Studio Private Limited***, a Reproduction of recorded media and production activity.

In 2020, he is louche a RDS Agri Private Limited, a company deals in Agri base product such as sale and purchase of tractor, its parts accessories at Arrah, Bihar. In short span of time growth of said company is far better than as expected.

Social Responsibility

Due to his involvement with the social environment, he participates in social service also. He helps in marriage of poor girls, distribution of food grains among the needs, distribution of hot clothes from time to time to the poor needy.

He provides food grain facility to over 5000 poor people during the COVID19 pandemic periods. He also distributes K19 and other mask to society, clubs, police department and to CM of Jharkhand too. He will also donate the money to PM Care Fund.
